

an orangutan disguised as a man, very obvious, refrence to the murders in the red morgue, lighter in tone

Their stance is like this

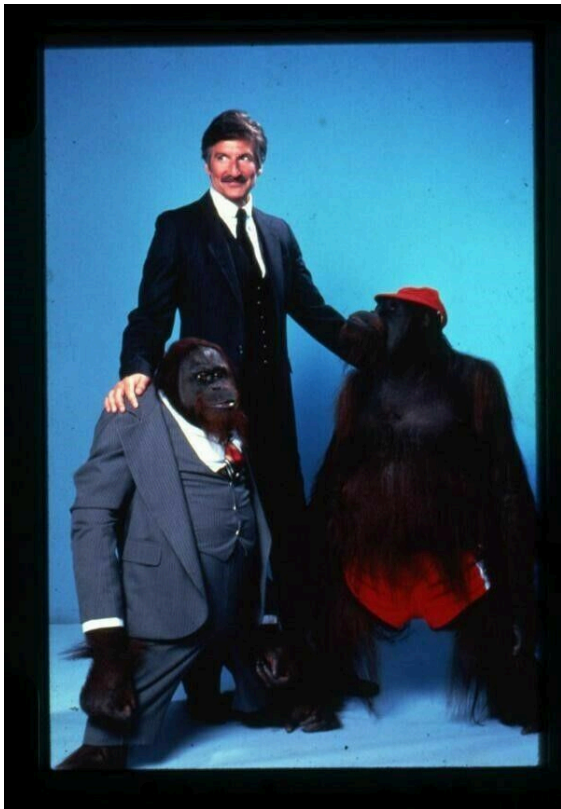

with a stick to hold themselves up like this but on ground

. He is wearing a big suit that doesn't fit him, and a top hat to show he is really a human.

His weapon is a large stick, like a quarter staff, with some leaves at the end, like this:

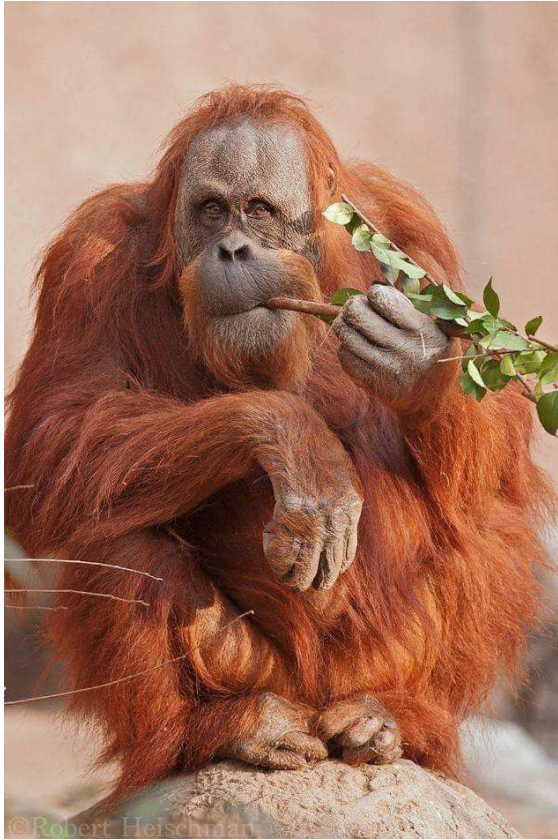

Attacks:

Lifts thier hands and staffs up to slam down, smokes on a stick and fills the room with

smoke

. When he reads he gains a buff:
